

Emotional Body Mapping

BROOK WOOLF: MEDICAL MEDIUM, AUTHOR, CREATOR

about Brook

- Founded and Ran a 3 story Nonprofit with 22 programs, 5 partnership agencies and a 500k annual budget from starting at 22 years of age.
- Studied multiple religions, trained since childhood in multiple healing modalities such as; tarot, psychic development, NLP, hynotherapy, astral projection, and shamanic journeying.
- Lifestyle learner that has been in school for some training every year since age five or teaching/running a school ;) Essentially, obsessed with learning and constantly growing skills and gifts.
- Built my own tiny home with my partner.
- Been artist of the year for sustainable art in Chicago.
-
- Other Credentials: B.F.A., Yoga Teacher Trained, LMT, Ayurveda and Chinese Nutrition, 2000hours of Thai Massage, Osteothai, Chi Nei Tsang, Founder of Emotional Body Mapping.

about Emotional Body Mapping

Many doctors and psychiatrists can leave you with more questions and fewer answers. Know your thoughts and feelings as if they are as simple as reading a book, heal your heart and learn self-healing by speaking the language of your body.
